Hi all,

Great slides, I've incorporated a few comments/edits on both. Nothing major.

Are we sharing these with Denka/Ramboll and have they shared their slides with us? I recall there was interest in a joint presentation but wasn't sure where we were with that.

Hi Samantha – Attached to this email for your review are Kris and Paul's slides for next week's chloroprene public peer review meeting. The meeting (and the slides) will be presented next Monday, October 5. Let us know if you have any comments on the slides. We'll initiate the more formal STICS clearance shortly as well.
